Safe and secure

Safe for road users

The 1 metre high, closed mobile fence by Heras Tijdelijke Beveiliging, for various applications, including on building sites. Ideal for guiding traffic, creating partitions and improving safety and security.

Closed mobile fences are safe and secure. The street and your project look neat and tidy. A well-kept building site confirms your quality image and motivates your employees. The 1-metre high Cityfence is ideal to guide people, create partitions and improve safety and security. Cityfence stops dust, paint and other materials and it is obvious that your building site is not freely accessible: It is solid and sturdy and can be produced in your company or municipal colours.
