

## Hinge with noose

### Specifications

Article Nr.	E0700
Dimension	70 x 100 x 40 mm
Weight	0.638 Kg
Package quantity	20

### Special Mobile Fence hinge

A special hinge and a wheel allow two mobile fences to turn.

This allows you to easily create a simple swing gate of 7 meters wide for lorries and other traffic on a building site. And you can lock the gate securely with the Heras mobile fence lock. Especially useful for semi-permanent applications.

**Simple  
Effective**
