

M90 Pedestrian gate

Specifications

Article Nr.	P0600
Dimension	1180 x 2000 mm
Mesh width	75 x 300 mm
Material Fence	Steel
Finishing	Hot dip galvanized
Weight	13 Kg
Package quantity	25

**Pedestrian access
User-friendly**

Efficient pedestrian gates

Clever 2 metre high solution for granting access to pedestrians. The pedestrian gate (1.2 metres wide) can be installed in all locations. With the separately available hinge the gate turns smoothly. The tube is shorter on one side so that the fence can turn over the footing and no wheel is necessary.
